ANTICHRIST AND THE TRIBE OF DAN

Chapter I

“DAN shall be a serpent by the way, an adder in the path, that biteth the horse heels, so that his rider shall fall backward.” Genesis 49:17.

From the dawn of church history, Christians have anticipated the coming of a great world ruler, whose appearance would precede the return of Jesus Christ. This inhuman monster has always been known as *the Antichrist*.

It is significant that during the first four hundred years of the present era, Christians believed this man would be a descendant of Jacob, from the tribe of Dan.

< There is no question but what Antichrist will be a Jew. John 5:43 removes all doubt. “I am come in my Father’s name, and ye deceive me not: if *another* shall come in his own name, him ye will receive.”

Several Greek words are translated “another” in the New Testament. But the word *allos*, used in the above verse, means literally “another of the same kind or nationality”. < Christ came to earth in the physical garb of a Jew. Therefore, the counterfeit Christ will be *another Jew*. >

If Antichrist were to be a Gentile, an entirely different Greek word would have been used in the original text.

The same truth is emphasized in Ezekiel 21:25-27 where the coming false Messiah is

called the "Profane and wicked Prince of Israel".

Christ came "unto His own, and His own received Him not". Not only did the Jews reject the Saviour but they also demanded His death. And even the spilling of His blood did not appease their wrath. "Then answered all the people, and said, His blood be on us, and on our children."

Therefore, the law of exact retribution placed the Jew nation under a curse, nineteen hundred years ago—which curse will not be lifted until "they shall look upon Me whom they have pierced" at the time of the Lord's return. Not until then will the nation experience a *national conversion*.

Besause they rejected God's Christ, they will accept the Devil's Christ during the closing years of this age. "For this cause God shall send them strong delusion, that they should believe a lie." The Jewish people will not only believe a lie—they will accept the world's greatest Liar as their Messiah.

John asks: "Who is a liar but he that denieth that Jesus is the Christ?" (The Jews have always denied this fact.) "He is Antichrist that denieth the Father and the Son." The apostate leaders of the Jewish race are today setting the stage for the coming of the Man of Sin.

"DESTROYER OF GENTILES"

In anticipation of Antichrist's Jewish nationality, Zechariah referred to him as: "The idol shepherd that leaveth the flock".

As indicated above, there is cause to believe that this man will spring from the tribe of Dan. Moses described Dan as "a lion's whelp: he shall leap from Bashan".

We will see later that Dan has leaped all over the world, leaving his mark wherever he has gone.

The prophet Jeremiah pointed forward to Antichrist as "THE DESTROYER OF THE GENTILES". This also sets forth his Jewish character.

As if confirming Moses' reference to Dan who is called a young lion, Jeremiah says: "The lion is come up from his thicket, and the *destroyer of the Gentiles* is on his way; he is gone forth from his place to make thy land desolate."

Moses calls Dan a lion.

Jeremiah calls Antichrist a Lion.

ABRAHAM, ISAAC, JACOB

More than two thousand years before Christ, Abraham was told that his descendants would be as numberless as the dust of the earth. History shows that the teeming millions of Semitic peoples have sprung from his loins.

Abraham's Egyptian wife Hagar bore him a son called Ishmael. Prior to the birth of this child, an angel announced: "And he will be a wild man; his hand will be against every man, and every man's hand against him."

From Ishmael came the entire Arabian and Mohammedan population of the world. Mohammed traced his ancestry back in a straight line, hundreds of years, to Ishmael. Considering the fierce crimes of the desert and the wild life of the Arabians, the above prophecy by the angel, was not an exaggeration.

Sarah became the mother of Abraham's

son, Isaac. From this branch of the family came the Israelitish race.

Jacob, the child of Isaac, raised twelve sons. Late in life his name was changed to Israel. Therefore, his descendants became known as "the children of Israel".

One of Jacob's sons, Joseph, was sold into Egyptian bondage by his brothers, because of jealousy. At the age of thirty, he became Prime Minister of Egypt. Joseph's sons were named Manasseh and Ephraim.

Israel later brought his entire family, including sons and grandchildren, to Egypt where they settled in the fertile territory known as Goshen.

THIRTEEN TRIBES

Israel's twelve sons were: Reuben, Simeon, Levi, Judah, Zebulon, Issachar, Dan, Gad, Asher, Naphtali, Joseph, and Benjamin.

These were the tribal fathers of the nation, except for the fact that, by special arrangement on the part of Jacob, the tribe of Joseph was divided into two branches—Manasseh and Ephraim. Therefore, strictly speaking, there were thirteen tribes instead of twelve, as some suppose.

The whole Israelitish race was potentially in these eleven sons and two grandsons. When Jacob called them by name and outlined their respective futures, he was referring not only to the boys, but to their posterity.

It was on this occasion that Dan was called a serpent and an adder.

These thirteen blood streams have flowed through almost four thousand years of human history. *It is, of course, impossible for the mind of man to trace them out and es-*

tablish their various locations among the nations today.

Some believe that all thirteen tribes are now embodied in the people known as Jews. Others think that the modern Jew represents only one tribe, Judah.

Still others believe that at least ten of the tribes are now *lost* somewhere in the world but will be discovered at a later time.

Persons holding this view have in mind the fact that about 931 B. C. the kingdom of Israel was rent asunder by King Jeroboam, an apostate from the tribe of Ephraim. They refer to the twelfth chapter of the first Kings where Judah and Benjamin are described as pulling away from the other tribes.

Many Bible students think that all of the tribes, except Judah, were assimilated by the Assyrians and have, therefore, disappeared from the face of the earth.

< That the descendants of Jacob are still in existence, *as separate units*, is evident from the description given in the seventh chapter of Revelation. Here we learn that during the great tribulation, preceding the second coming of Christ, twelve thousand from each of the twelve tribes, aggregating one hundred and forty-four thousand, will be miraculously saved and preserved by the power of God. This number of deserving souls will comprise only a small fraction of the Israelitish nation as a whole. >

Therefore, we know that twelve of the thirteen tribes of Israel will still be in existence at the consummation of this age.

< BUT NOTICE: DAN IS NOT MENTIONED IN THIS ASSEMBLAGE. >

Revelation 7:4-8, "And I heard the number of them which were sealed: and there were sealed an hundred and forty four thousand of all the tribes of the children of Israel. Of the tribe of JUDA were sealed twelve thousand. Of the tribe of REUBEN were sealed twelve thousand. Of the tribe of GAD were sealed twelve thousand. Of the tribe of ASHER were sealed twelve Thousand. Of the tribe of NEPHTHALIM were sealed twelve thousand. Of the tribe of MANASSES were sealed twelve thousand. Of the tribe of SIM-EON were sealed twelve thousand. Of the tribe of LEVI were sealed twelve thousand. Of the tribe of ISSACHAR were sealed twelve thousand. Of the tribe of ZABULON were sealed twelve thousand. Of the tribe of JOSEPH were sealed twelve thousand. Of the tribe of BENJAMIN were sealed twelve thousand."

These are the twelve tribes whose *remnants* will be "sealed" during the age-end. It will be noted that the name of Joseph replaces Ephraim, while DAN IS LEFT OUT ENTIRELY.

The tribe of Dan has no part in the blessings described in this great prophetic chapter.

The disappearance of this wicked and disgraceful tribe from the pages of prophecy, reminds us of the words of Christ: "And now also the axe is laid unto the root of the trees; therefore every tree which bringeth not forth good fruit is hewn down, and cast into the fire."

It is evident that Danites are such a vicious, fruitless type, as to be deserving of destruction. They are, therefore, to be pulled up, root and branch; *blotted out of existence!*

PRESENT LOCATION UNKNOWN

An old adage says: "Blood will tell".

Even if human wisdom can not untangle the various tribes and place them in their respective positions, the blood of each group will eventually establish their identities and proper locations. "For the life of the flesh is in the blood".

Many fantastic attempts have been made to establish their geographical locations. A notable instance was the theory advanced by a Jew named Eldad, a Danite, in the ninth century.

An authority on this subject says: "The first printed edition of Eldad's adventures appeared in Mantua, in 1480. He professed to be a citizen of an independent Hebrew state in East Africa, inhabited by the tribes of Dan, Asher, Gad, and Naphthali. He found the tribe of Issachar dwelling among high mountains near Media and Persia, the tribe of Zebulon occupying the land extending from a province of Armenia to the Euphrates, the tribe of Reuben near them, Ephraim and half of Manasseh in Arabia, and the tribe of Simeon, with the other half of Manasseh, in the land of the Chazars, wherever that may be. Thus all of the Ten Tribes are located. The tribe of Levi (properly not one of the Ten) he found 'on the other side of the river Kush. The river Sambotion encircles their land. It rolls sand and stones the six working days, and rests on the Sabbath'."

Man is unable to segregate the descendants of Israel and divide them into their various tribes, but destiny will finally put each in his own place. Destiny will cause the blood to flow in the right channels before this age draws to a close. But this we know:

THE DANITES ARE THE DANGEROUS "JEWS" OF THE WORLD.

While all Jews who reject Christ are in apostasy, yet the sons of Dan are farthest down the scale.

"Dan shall be a serpent by the way, an adder in the path."

DAN'S MARK

Centuries after the dying Jacob gave his prophecy concerning the posterity of his sons, we find the various tribes settling in Palestine, each group restricted by definite geographical boundaries. During this time, the sons of Dan continued to be the "black sheep" of the family.

Each tribe was given a certain territory except the Levites. This being the priestly caste, no separate province of land was allotted to it. The sons of Levi were scattered throughout Palestine, occupying cities in every tribe. They presided over all matters pertaining to things spiritual.

The tribe of Dan was given a small territory toward the south and west portion of the Holy Land, bordering on the Mediterranean Sea. Hence the words: "Why did Dan remain in ships?"

Becoming dissatisfied with their position, the Danites started a revolution among the Israelitish states and their warriors blazed a trail from south to north across Ephraim, Manasseh, Issachar, Zebulon and Naphtali.

So successful was this conquest and so pleased were the leaders with their war maneuvers, that they soon launched an attack against the city of Leshem in the extreme northern point of Palestine. After a bloody

struggle, the city was taken. *Its name was immediately changed to Dan.*

This proved to be the beginning of a long series of struggles which finally resulted in *the name of Dan being stamped upon all parts of the civilized world.* The tribe later became famous for its fierce, barbarous, cunning, pioneer spirit.

Leshem which was changed to the city of Dan, was located straight north of the Sea of Galilee. This spot is now known as *Tell-el-Kadhi*, which means a "mound". It was here that Jeroboam later set up a golden calf and inaugurated a system of bull worship.

Another instance of how Dan began placing its mark on the localities which the tribe visited in ancient times, is described in Judges 18:11-12, "And there went from thence of the family of the Danites, six hundred men appointed with weapons of war. And they went up, and pitched in Kirjath-jearim, in Judah: wherefore they called that place Mahaneh—DAN unto this day."

The record in Judges 18:29 tells of another city called Laish which was also changed to Dan by their conquering hordes of savage vandals.

The name Dan means "judge". Hence Jacob's statement: "Dan shall judge his people, as one of the tribes of Israel."

It should be emphasized that when this statement was made, Jacob was referring to "that which shall befall you in THE LAST DAYS".

This phrase, "last days", mentioned in Genesis 40:1 can refer to but one period of time—the closing of the present dispensation. The term "judge" no doubt means

that, in worldly matters, Dan is to rule over the balance of Israel.

"Dan shall be a serpent."

A study of history shows that the Danites, like snakes crawling in the dust, have left their trail all over the world. Wherever one turns, he finds this mark stamped upon cities, rivers, nationalities, localities, etc. The phrase "wise as serpents" may well be applied to these people.

From all appearances, this stratum of Israel is stepping forth, from the other tribes, as leader and "judge". When the Antichrist is unveiled, Dan will have rendered his verdict for "the last days". He will have supreme control over all Israel and will be accepted as the Messiah.

< I firmly believe that ANTICHRIST WILL BE A DANITE. >

DAN'S MARK—Continued

After sweeping from south to north, across Palestine, the tribe began to expand north, east, south and west. Every nation in the world soon came under its influence. Like a slimy serpent, it crawled "to and fro in the earth", frequently appearing in the most unexpected places. By a forceful tribal proclivity, it named everything it contacted. Early geography is full of Dans and Dons.

< In tracing the many marks of Dan on a map, one must remember there were no written vowels in the ancient Hebrew language. The word Dan is in reality composed of the two English letters D and N. >

So, whether we see Dun, Din, Den, Don, or Dan, the reference is to the same tribe of ferocious Israelites who went forth conquering and to conquer.

The eighteenth chapter of Judges gives a vivid account of how they started their program of world conquest. From the banks of the river Jor-DAN, they spread their borders in all directions.

Moving north and west, they left their mark on the Dar-DAN-ells, the DAN-ube and Mace-DON-ia. Sweeping north and east, they named such rivers as the DON, the DN-ieper and the DN-ister in the territory now known as Soviet Russia.

Penetrating west through Europe, the mark was left in hundreds of places: DAN-es, DEN-mark, ScanDIN-avians, etc. Among the early settlers of Ireland were those known as the "Tuatha de Danaans"—which has been interpreted to mean "the tribe of Dan".

For this reason, the Irish have many such cities and places as: LonDON-derry, DON-egal, DUN-glow, DUN-fandohy, DUN-loy, DUN-drum bay, DUN-dalk bay, DIN-gle bay, DUN-any, DANS-lough, DAN-sower, DUN-graven and DUNS-more.

Scotland, likewise, has its quota: Aber-DEEN, DUN-dee, DON river DOON river, DUN-keld, DUN-bar-ton, E-DIN-burgh, DUN-kirk, etc.

The same is true of England, where the name of the capital city is Lon-DON.

IMPORTANT

From the foregoing study, it is evident that when the Danites invaded these areas, they swept everything in their path.

< But this does NOT mean that the tribe of Dan supplied the population for these countries. Such would have been a physical impossibility. > It does NOT imply that Russia,

Norway, Sweden, Denmark, Germany, Greece, England, Ireland, Scotland and the many other sections which came under the influence of the Danites, are today populated by Israelites.

< Persons who hold this view ignore entirely *the sons of Japheth*.

When Noah came out of the ark, his sons became the federal heads of the three great streams of humanity. > From Ham came the black races. From Shem, the Jewish and Mongolian races. From Japheth, the white races.

Where morals have become shattered, there has been intermarriage and a mixing of these three blood streams, but for most part the racial barriers have remained intact.

It is folly to say that the fair and blond white races of the world are descendants of Dan, a son of Shem, simply because this tribe left its mark on the areas which it conquered.

< *Russia is governed by a Jewish dictatorship today but this does not mean that all Russians are Jews.* >

< The United States is under the control of a Jewish Brain Trust, but it does not necessarily follow that all Americans are Jews.

Great Britain and France are ruled by the international Jewish Money Power, but this does not make the people of these countries Jews. >

The Danites gained the upper hand, in many parts of the world, by the driving force of their invasions, but this does not mean that the teeming millions of human beings, occupying those places, were members of that tribe.

MODERN DANITES

"Dan shall judge his people."

"Dan shall be a serpent by the way, an adder in the path."

If the blood of the thirteen tribes could be traced out, I am of the opinion we would discover that the Communist leaders, and the international Jewish conspirators who are responsible for present world-wide chaos, belong to the tribe of Dan.

As previously indicated, it is impossible to classify the Israelites of the twentieth century in their tribal positions, but the blood of each group will eventually manifest itself. And according to the seventh chapter of Revelation, Dan will be missing when the remnant of righteous souls is assembled, because of their crimes against God and humanity.

A Jewish Antichrist, in the end of this age, pre-supposes an international system of Jewish government. There can be little doubt that such a system, based upon the Jewish Money Power, has already been created—and is ready to step into the open and assume control of world affairs as soon as the time is ripe.

< Its ramifications include both Jewish Communism and Roman Fascism.

Behind the Communist leaders of the world is the international Jewish banking fraternity.

Behind Mussolini and his Fascist leaders is the international Jewish banking fraternity.

Even if there should come a war between Communism and Fascism, the Jewish conspirators, at the top, would emerge triumphant because of the understanding they

would have between themselves while precipitating the slaughter of their millions of Gentile subjects. Nor would they hesitate the least, in sending members of their own race to death, who might be fighting in opposing armies on blood soaked battlefields.

The powerful group of ring leaders have but one thought in mind, one great objective in life—and that is to **RULE THE ENTIRE WORLD.**

This plot, concerning which most Gentiles seem to know nothing, is ancient in its origin and from every indication the perpetrators think it has just about reached its climax. They are almost ready to deliver the final blow, which they believe will bring the world to its knees, begging for mercy.

THE PLOT

The "Protocols of the Wise Men of Zion" offer a comprehensive exposure of the secret conspiracy which now threatens to overthrow all nations. Every question, worthy of consideration, concerning the authenticity of the Protocols, has been answered.

These documents, first made public in 1901, at a time when the governments of the world seemed to be stable, have charted the course of subsequent chaotic developments, with amazing exactness. The fulfillment of the threats outlined in the Protocols has been too remarkable to permit thoughtful people to pass over them lightly.

When Sergius A. Nilus, a Russian Christian patriot, first published these documents, he was subjected to ridicule by Gentiles and to persecution by Jews. But, as the Red Terror started to develop among the people, Russian thinkers began taking him seriously.

But it was too late! The serpent of Dan had already struck!

The Jews overthrew the Czar's government, slaughtered millions of Gentiles, and set up the present regime.

Because Nilus understood the mechanizations of the plot which has since come to pass, tried to warn the Russian people. But his voice was too feeble! When the Jews gained control of the country, it became a crime punishable by death to be found possessing a copy of the Protocols. Nilus died from wounds inflicted by the Reds.

It was his firm belief that prior to the return of Christ, the international Jews would introduce a World Dictator. In the year 1905 he wrote under the title "*Anti-christ a Near Possibility*":

"'He that hath ears to hear, let him hear'.

"It is nearly four years since the Protocols of the Elders of Zion came into my possession. Only God knows what efforts I have made to bring them to general notice—in vain—and even to warn those in power, by disclosing the causes of the storm about to break on apathetic Russia who seems in her misfortune, to have lost all notion of what is going on around her.

"And it is only now when I fear it may be too late, that I have succeeded in publishing my work, hoping to put on their guard those who still have ears to hear and eyes to see.

"One can no longer doubt it, the triumphant reign of the King of Israel rises over our degenerate world as that of Satan, with his power and his terrors; **THE KING BORN OF THE BLOOD OF ZION—THE ANTI-CHRIST—IS ABOUT TO MOUNT THE THRONE OF UNIVERSAL EMPIRE.**

"Only the light of Christ and of his Holy Church Universal can fathom the abyss of Satan and disclose the extent of its wickedness.

"I feel in my heart that the hour has already struck when there should urgently be convoked an Eighth Oecumenical Council which would unite pastors and representatives of all Christendom. Secular quarrels and scisms would all be forgotten in the imminent need of preparing against the coming of the Antichrist."

Someone has said: "The Protocols will be the bible of the Antichrist."

THE SYMBOLIC SNAKE

The Protocols declare, in giving away the secrets of the conspirators, that the little ring of international Jewish plotters *have always symbolized their activities as a snake crawling from nation to nation*, with themselves at the head.

In the Epilogue which Nilus wrote to a later edition of the Protocols, he said:

"Learned men decided by peaceful means to conquer the world for Zion with the slyness of the Symbolic Snake, whose head was to represent those who have been initiated into the plans of the Jewish administration, and the body of the Snake to represent the Jewish people—the administration was always kept secret, even from the Jewish nation itself.

"As this Snake penetrated into the hearts of the nations which it encountered, it undermined and devoured all the non-Jewish power of these states. It is foretold that the Snake is still to finish its work, strictly adhering to the designed plan, until the course

which it has to run is closed by the return of its head to Zion and until, by this means, the Snake has completed the round of Europe and encircled it—and until by dint of enchaining Europe, it has encompassed the whole world. This it is to accomplish by the using of every endeavor to subdue the other countries by an economic conquest.

“The return of the head of the Snake to Zion can only be accomplished after the power of all the sovereigns of Europe have been laid low, when by means of economic crisis, and wholesale destruction effected everywhere, there shall have been brought about a spiritual demoralization and a moral corruption.”

(Please read the three above paragraphs over again to get their full importance.)

The mind of the reader will return at once to the prophecy of Jacob: “Dan shall be a serpent . . . an adder.”

Nilus learned from secret sources that the head of the snake rose over St. Petersburg, Russia in the year 1881. It struck eighteen years ago! And since then, through international Communism, its Antichrist venom has poisoned all the nations of the earth.

When the Israelites were on the march, each tribe carried a standard, or banner. This was true when they left Egypt at the time of the exodus. It was also the case during the forty years of desert wanderings.

On such occasions, the standard bearer of the tribe of Dan carried a banner of white and red, with a serpent coiled upon its folds. It will be recalled that Ahiezer substituted an eagle for a serpent because he shrank from carrying an adder.

THE PARENT SERPENT

Satan is called a serpent.

Revelation 12:9, "And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world; he was cast out into the earth, and his angels were cast out with him."

Since Satan is symbolized as a serpent, it is not to be wondered that he should manifest his power through the particular tribe whose emblem was a snake. While all Israel is under the Antichrist delusion, except those who have experienced definite Christian conversion, yet the tribal group in which the power of Satan is centered, is that of Dan.

If it should develop that Mussolini is the Antichrist, the rumors concerning his Jewish ancestry would be confirmed, and he would be discovered to be a Danite. Although it is impossible to follow out the blood line of the various tribes, it may be surmised on good authority that the ruling classes of Jews, such as the Communist leaders, have their ancestral roots in Dan.

We have seen that the Danites have always been the rulers. It is possible that President Roosevelt may be of this tribe. It is now generally known that he comes from Dutch Jewish stock. At different times in the history of his ancestors, such family names as Rosenblum, Rosenberg and Roosevelt have been used. These finally became the familiar Roosevelt.

Soon after becoming President, he sent an invitation to Litvinoff, of Moscow, to call at the White House. The conversations between the two resulted in the establishment of diplomatic relations on the part of the United States and Soviet Russia.

Every thinking person knew, from the standpoint of true Americanism, that this was an unwise and foolish step to take. There was no reason, logic or common sense in the move, considering particularly that Moscow was then, and has continued since, to operate a powerful propaganda machine in the United States for the purpose of eventually overthrowing our government.

There is but one way to explain the fatal step which Roosevelt took, and that is—his mind, and the mind of Moscow, must have flowed together as naturally as two drops of water. (It will be recalled that Litvinoff has traveled under various Jewish names in the past, including Finkelstein.)

The same may be true of Mussolini. Rumor has it, that he is also of Semitic extraction.

Mussolini's daughter's husband, Count Ciano, is a personal friend of the Rothschilds and on a recent visit to London lived as a guest in the home of the English branch of this family of international Jews.

The Italian Superman may be a Danite! He may be a party to the age-old plot to enslave the Gentiles of the world.

But, of this we are sure: behind him, lurking in the shadows, is "that old Serpent, called the Devil".

GOD'S ULTIMATUM TO COMMUNISM

Chapter II

“VENGEANCE is mine; I will repay, saith the Lord”. Romans 12:19.

For the first time in human history, there exists today a visible, organized anti-religious campaign of world-wide proportions.

During the last few generations, the Christian religion has reached a plane of stability after centuries of turmoil, confusion and persecution. This static period has now been brought to an abrupt close.

Once more, the Cause of Christ finds itself on the defensive. It is faced with a fight for its existence.

Multitudes of professing Christians have not yet awakened to a realization of this fact.

The present assault is not only a matter of indifference to spiritual values; if not only provides for mockery of God; but it demands the absolute suppression of the religious impulse, throughout the world.

The clergy, laity, and all religious organizations, are being attacked wherever the Red hand of Communism is allowed to exist.

This assault is not a mere theoretical threat, printed on paper and circulated through magazines and pamphlets. It is more than mental propaganda.

The atheists are translating their program into bloodshed, destruction of property, and the loss of life. In Russia, millions of our Christian brethren have been slain during the last eighteen years.

The plan provides for the killing of preachers and the bombing of churches when the hour of revolution comes, and the signal is given for the conspirators to strike, here in the United States.

OFFICIAL STATEMENTS

The Russian newspaper *Trud* publishes the following official account:

“The League of the Militant Godless is now enforcing anti-religious propaganda and is strengthening its organizations, especially among newly-recruited workers and collective farmers. The workers, and peasants, organizations for which the League of Militant Godless is working, must give all their support to the anti-religious propaganda and help with the exterminating of religion.”

“The above outline of attack was signed by E. Yaroslavsky, President of the Godless League. The real Jewish name of this man is Kogan.”

According to another Communist publication, the Moscow dictatorship is solidly behind this program of barbarism: “The Soviet Union, under the workers’ and peasants’ government, is the only country in the world where religion and the churches are being combatted with the active cooperation of the government.”

Parenthetically, it should be explained that such references to “workers” and “peasants” represent downright deception. THE JEWISH CAPITALISTS WHO GOVERN RUSSIA DESPISE THE VERY APPEARANCE OF THE POOR AND STRUGGLING MASSES OVER WHOM THEY EXERCISE SUPREME AUTHORITY!

Official statements, issued by Soviet authorities, show clearly that the plot against

Christianity extends far beyond the borders of Russia.

The Communist International, which embraces Soviet activities in all nations, said in its official report for 1932: "One of the most important tasks of the cultural revolution affecting the wide masses, is the task of systematically and unswervingly combatting religion—the opium of the people."

Yaroslavsky says: "An anti-religious centre must be created to assist the Communist Parties OF ALL COUNTRIES to guide this constantly growing movement against religion and the clergy, because this is a part of the class struggle and as such is not only meritable, but an essential part of the struggle against the Capitalist world—part of the struggle for Communism.

"The Five Year Plan, which maps out our economic construction is riveted to another and a concurrent Five Years Plan designed to tear up the roots of religion. The vast army of exploiters and priests of all the religious creeds all over the world realise that the day when the earth will tremble beneath their feet is drawing near. That is why the rise of the mass Atheist movement imposes upon the Communist Parties the task of increasing the anti-religious struggle."

Yaroslavsky boasts that he has 5,000,000 members in his "League of the Militant Godless" in Russia. Prior to the rise of Hitler, he had 150,000 in Germany.

Branches of the organization exist in most of the countries of Europe. For instance, he claims to have 30,000 followers in Czechoslovakia alone.

In Mexico, his Atheist League is known as "Liga Anticlerical Revolutionaria". Similar organizations, under varying names, have

been established in high schools and colleges in the United States.

PREPARING FOR ANTICHRIST

Only shallow thinking Christians minimize the importance of the materialistic consciousness which is stealing over human beings in all parts of the world. The poison of Atheism is permeating the spirits of untold millions.

Students of Bible prophecy know that this pernicious doctrine is paving the way for the coming of the last great world dictator who will open "his mouth in blasphemy against God, to blaspheme his name, and tabernacle, and them that dwell in heaven."

Communism is helping to prepare the minds of the masses for the coming Man of Sin. This is evident from the descriptive language employed in II Thessalonians 2: 8-12, "And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:

"Even him, whose coming is after the working of Satan with all power and signs and lying wonders.

"And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

"And for this cause God shall send them strong delusion, that they should believe a lie."

The anti-Christ spirit which animates Communism, in its present slaughter of Russian Christians, is also reflected in Revelation 13:7, "And it was given unto him to make war with the saints, and to overcome them:

and power was given him over all kindreds, and tongues, and nations."

From the prophetic viewpoint, the outlook is anything but pleasant for believers. Indeed, "this world is no friend of Grace".

But provision has been made for one group of people during the reign of the Antichrist—the saints "whose names are written in the book of life".

These will escape at the time of the rapture, in that dramatic hour when "the one shall be taken, and the other left".

"Watch ye therefore, and pray always, that he may be accounted worthy to ESCAPE all these things that shall come to pass, and to stand before the Son of Man."

THE FALSE JEWISH MESSIAH

We may carry the present analogy even further and remind ourselves that the Antichrist of the end-time is prophesied to be a Jew. In like manner, all Communism is of Jewish origin, financed by Jewish money and directed by Jewish minds.

Two great personages loom up in the prophetic Scriptures—one is CHRIST and the other is ANTICHRIST.

There could be no world-wide dictatorship, such as that announced in the Word of God for the end of this age, without a Dictator and a system of international Jewish government. It is plain to all who possess prophetic discernment, that Communism is helping set the stage for the unfolding of these events.

Occult and Capitalistic Jews are responsible for the present dislocation of social, economic and political forces. Students of subversive

movements affirm that the underground plot, now coming into fruition, is centuries old.

This Satanic conspiracy anticipates a time when all Gentiles will be so weakened, by class hatreds and anarchy, that the entire human family will be brought under the heel of apostate Jewry, as has been done in Russia.

In kindling this subterranean fire, beneath the nations of the world, there is every indication that the occult masters expect to unveil their "Messiah" in the near future—a Superman who will give them temporal power and dominion. Thus, they have become the instruments of Satan for introducing the Man of Sin.

The Antichrist will be a man, not a system. Jewish Communism is not the Antichrist. But it is helping prepare the way for his coming.

From the prophetic viewpoint, Communism and Fascism look very much alike. Both systems have their roots in the philosophy of Karl Marx. The real Jewish name of Marx was Mordecai. In 1848 he published the "First Communist Manifesto".

Both Fascism and Communism destroy personal liberties and abolish the right to worship God according to the dictates of conscience.

Only a few years ago, Mussolini was a faithful follower of Marx. His scheme of Fascism is therefore an illegitimate child of Communism. The international government of the Antichrist will embody qualities contributed by both systems.

An incident will serve to illustrate the spirit that motivates Mussolini: When he was

a radical Socialist, wandering through Switzerland in exile, an evangelist by the name of Alfredo Tagliatela came to Lausanne to conduct a soul-winning campaign.

A number of radicals attended the services and showed utmost contempt for the speaker. Among them was Mussolini, who organized a mob to break up the meetings.

One night, as the sermon was being delivered, this band of ruffians rushed down the aisle, stormed the platform and grappled with the evangelist.

"God does not exist", yelled Mussolini. "Religion! In science it is an absurdity; in practice it is immorality; among men it is a malady."

Several blows were exchanged in the pulpit. Christians in the audience came to the rescue of the preacher.

As Mussolini left the building, he was heard to shout back at Tagliatela: "Bourgeois! Renegade! Slave!"

A few days later, while in the midst of an address on atheism, Mussolini paused, removed his watch from his pocket, placed it on a table in front of him, and defied God to strike him dead within five minutes.

The fact that no thunderbolt destroyed him was submitted as proof to the audience that God does not exist.

Referring to the Antichrist, Daniel said: "And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods, and shall prosper till the indignation be accomplished; for that is determined shall be done."

FOREIGN RULERS

Some people wonder why the Communist leaders should be so determined in their attempt to abolish Christianity and all religious principles.

Let it be remembered that their Jewish ancestors were responsible for the crucifixion of Jesus Christ! It is *in their blood* to hate Him! And somehow, subconsciously, they know when they strike a child of God, they are striking the Lord Whom Christians love and serve.

Moreover, these ruthless tyrants, who have erected for themselves a ghastly edifice upon the shambles of millions of innocent victims, live in constant fear of retribution or a counter-revolution among their Gentile subjects.

Therefore, the attack is constantly pressed by means of personal and written propaganda; through books, pamphlets, movies and plays, designed to undermine the fundamental ideals of human society. In the near future, when their military machine is completed, they expect to supplement their drive against civilization by force of arms.

In order to weaken those over whom they rule, the leaders do everything in their power to create fear, envy, hatred, lust, drunkenness, vice and all other forms of personal and mass immorality. The baser instincts of unregenerate human nature, are systematically exploited with the object of loosening every prop upon which civilization rests.

Through the rigid control of everything the soil produces, they are able to keep the people so weakened by hunger and starvation that a counter-revolution is impossible.

Meanwhile, the lie is constantly kept before their subjects that Russia is "enjoying"

a government by the "workers", "farmers" and "peasants".

But quite the **contrary** is true. The Russian people have **no government** of their own. They are ruled by foreigners—Jewish Capitalists.

There is no such thing as the "Dictatorship of the Proletariat".

(It was to this group of inhuman monsters that President Roosevelt recently sent a message of "sincere felicitations on this memorable anniversary" commemorating the eighteenth annual celebration of Russia's bloody Bolshevick revolution.)

UNDISPUTED FACTS ABOUT JEWISH CONTROL

It is impossible to get the truth about the Jewish character of Communism through the daily newspapers. Every conceivable trick is used to keep Gentiles in darkness.

The international conspirators, who dream of destroying our Country as they have destroyed Russia, know they will encounter mercilessly opposition if Americans ever learn the truth. One decisive blow is all that will be needed, to deliver the United States from the shackles of Communism if the people wake up in time.

Many religious Jews have taken their stand with Gentile Christians against the apostates of their race who are pulling down the pillars of civilization. Yet, there are others, who either deny the Jewish complexion of Communism or condone its crimes, simply because of its Semitic origin.

It is not anti-Semitism to make the truth known about this international attack upon Christian civilization.

"The Central Committee of the Communist Party" is the very heart throb of international Communism.

THERE ARE 59 MEMBERS ON THIS COMMITTEE AND 56 OF THEM ARE JEWS. THE REMAINING THREE ARE MARRIED TO JEWESSES.

These are everyone Jews except Stalin, Lobow and Ossinsky.

The most powerful man in Soviet Russia is L. M. Kaganovitch. He even holds the whip over Stalin.

When Stalin's youthful Gentile wife died a "mysterious" death recently, he took the 20 year old sister of Kaganovitch to be his companion. Reports from Moscow indicate that Stalin now lives in constant fear that his young Jewess may poison him. Kaganovitch is slated to be his successor.

The Jewish people comprise less than two per cent of the total population of the Soviet Union, but this small minority rules the entire nation. It is estimated that there are over 150,000 Jewish employees of the government residing in Moscow alone.

Most of Russia's rulers filtered in from other countries during, or since, the revolution. Many came from the east side of New York.

"THE PROTOCOLS"

Behind this attack upon God, Christ, the Bible, and Civilization, there are centuries of secret and sinister planning, as well as enormous sums of Jewish money.

The whole plot, to reduce the world to slavery, is laid bare in those twenty-four documents known as the "Protocols of the Wise Men of Zion".

Someone has called the Protocols "THE BIBLE OF THE ANTICHRIST".

The chaotic conditions that have developed among the nations since these documents came to light in 1905 constitutes a decided argument in favor of their authenticity. There can be no question but what the Protocols chart the course of world revolution.

Captain A. E. N. Howard, a British statesman, has declared: "The Protocols are not literature, but statesmanship in course of partial fulfillment."

What the wreckers have done in Russia, they hope soon to do in the United States. The trap has been set. It remains to be seen if the American people will demonstrate sufficient moral and spiritual resistance to avoid it.

A rigid censorship exists on all news reaching the outside world from Russia. This

phase of the bureaucracy is operated by a Jew, with a criminal record, whose real name is Sobelson; he now uses the alias of Karl Radek.

Because all news coming out of Russia is poisoned by the pen of propaganda, it is a mistake to attach importance to press dispatches from there.

It should also be remembered that the United States is being flooded with speakers who are paid to scatter falsehoods about actual conditions in Soviet Russia. The Moscow dictatorship is now operating the most powerful propaganda machine the world has ever known.

GERMANY'S PROBLEM

Ever since the destruction of the Czar's government, Moscow has worked through the arteries of international Jewry to bring about the collapse of all the countries of Europe.

For years they concentrated their efforts upon Germany. It looked for a time as though they would succeed.

Had the Germans gone down, Communism would have swept everything as far west as the English Channel before this time.

By 1919 the Reds felt certain Germany had become so weakened by strikes, mob violence and class hatreds, that the Country was ready to be annexed as a member of Soviet Socialist Republics.

In April of that year, a group of Jews, headed by Karl Radek, and Kurt Eisner, set up a branch of the Moscow government in the city of Munich. They had their own private army and a system of dictatorship called the "Revolutionary Tribunal".

Prior to that time, hundreds of lives were

taken in riots and street fights. Millions of dollars' worth of property was destroyed. Behind all of these revolutionary outbreaks there was an organization of Jews which included such leaders as Rosa Luxemburg, Karl Liebknecht, Ernst Toller, Gustav Landauer, Oskar Cohn, Kurt Muhsam and others.

Some of the ring leaders were lawyers of the type of Hans Litten who, like the Civil Liberties Union in the United States, specialized in providing legal service to Communists who were found guilty of carrying on subversive activities.

An example of how this "new government" went about its task of gaining control of Germany is illustrated by the Luitpold Gymnasium murder in which ten innocent "hostages" were shot down in cold blood to put terror into the hearts of the people of Munich.

Finally, Germany with its forty million Protestants and twenty million Catholics, revolted. With one smashing blow they broke the chains which had been so efficiently forged about them. In this, they demonstrated greater resistance than the people of Russia.

During this entire period of uncertainty, when Germany came so near the brink of destruction, the Jewish population numbered only about one per cent of the Country's total.

But it was this powerful minority that controlled the press, the stage, the motion picture industry, the magazine publishing houses, the radio, and the channels of finance.

The newspapers of the United States publish daily reports, designed to create prejudice against Germany. But it should be re-

membered that according to authoritative sources, no less than 60 per cent of the 400 employees in the New York offices of the Associated Press are Jews.

Moreover, the official representative of the Associated Press in Berlin, Mr. Louis P. Lockner, has a past record as being a radical Socialist and Communist for many years. In 1919 he helped organize the Soviet Federated Press of Europe.

These disclosures will serve to illustrate the manner in which pernicious forces have been able to bore into news gathering agencies. Beyond question, the Associated Press is the most powerful factor in the United States for moulding public sentiment.

In the light of these revelations, one may now understand why such Jews as Litvinoff, Radek and other members of the Moscow dictatorship, are always referred to as "Russians" in the newspapers. And why Jewish criminals like "Dutch Shultz" are called Germans. And why the Jew, Isador Fisch, who many believe actually killed the Lindbergh baby, is described in Associated Press dispatches as "the little German furrier".

MODERNISTS COOPERATE

Communist pride themselves upon the fact that so many Modernist preachers are coming to the support of their cause.

The January 15, 1936 issue of *The Revealer* contains an illuminating article on this subject from the pen of Hon. Lewis Ulrey, former State Senator of Indiana, entitled "Antichrist Being Served in the Churches".

He says: "The moving spirits of the Federal Council of Churches, Bishop McConnell, Dr. Harry Ward, Rev. John Haynes Holmes, and the hundreds of rabidly radical preach-

ers throughout the land who espouse Socialism, and Communism, can not be wholly ignorant of the ultimate aims of those radical schemes for overturning government, society, morals and religion.

"They certainly must know that Karl Marx and Lenin are the red gods of Socialism as well as Communism, and that both Marx and Lenin declared religion to be the 'opiate of the people', and that religion must be stamped out. They must know that it is the fixed determination of the Red Dictators of Russia to have religion completely stamped out of that unhappy land by the end of the second five year plan in 1937.

"Some of these sanctimonious servants of the Red Beast must know that just a few years ago 1,763,000 Christians were tortured and then slaughtered simply because they were Christians, by the cruel radicals whose cause they advocate, and whose philosophy they preach. Even the obsessed Harry Ward cannot be wholly ignorant of the fact that Communism aims to break down all religious belief, family integrity and personal virtue in the individual to pave the way for the adoption of Communism.

"How does this Methodist preacher and teacher, Dr. Harry Ward, harmonize the commands of love and fraternity given by the gentle Jesus, with the statement of Lunacharsky, late (Jewish) Commissar of Education in Russia, when he says: 'Christianity and Christians, even the best of them must be looked upon as our worst enemies. We hate them. They preach the love of our neighbors and mercy, which is contrary to our principle. Christian love is an obstacle to the development of the revolution (world revolution). Down with the love of our neighbors; what we want is hatred. We must learn how

to hate, and *it is only then we shall conquer the world!*"

"Dr. Ward, and Bishop McConnell who are turning the Methodist Church to Socialism and Communism, must know that Communism is anti-religious, and that Socialism is fundamentally atheistic.

"Yet they go on their subversive way, serving the Red Beast; and hundreds and thousands of other preachers do the same, under one pretext or another."

Modernist preachers of course regard Christ in the same way that Jews have always regarded Him. Namely, as an illegitimate Child conceived out of wedlock. Both groups reject His supernatural claims, His blood Atonement, Resurrection and ability to forgive sins.

For these, and other reasons, it is not difficult to understand why they should be found working together for the destruction of true historic and evangelical Christianity.

A PERSONAL EXPERIENCE

In December 1934, I sailed for Europe. Our vessel pulled out of the New York harbor about midnight. I had an experience on that occasion that I shall never forget.

There were hundreds of people down to the wharf to bid farewell to friends who were departing on our ship. Some were shedding tears, others were shouting, all were waving their hands and handkerchiefs. Near us on the deck during this commotion were two young men who were particularly noisy and boisterous.

One was a Jew. The other was a Negro. Each appeared to be about twenty years old.

They seemed to have a large number of friends on the wharf below.

Presently a thousand throats began singing the "Third Internationale" the official "hymn", the battle cry, of the international Communism. The words of this song are extremely vicious, advocating the destruction of every government in the world. It declares that Moscow will eventually rule the entire human race. It demands that every flag shall be torn down and that the Red rag shall fly over all countries.

No sooner had the song started below than the Jew and Negro began to join heartily in the singing.

Looking down I saw hundreds of arms raised and hands clenched, *the universal salute of the Reds*, as though they were shaking their fists at God in heaven. Both the Jew and the Negro kept their arms raised throughout the song.

The effect was electrifying to the great throng of people. The experience was such as to horrify every Christian and patriot.

But no sooner had the crowd become silent then someone below shouted "W-I-N-R-O-D". I wondered what it could mean!

I was soon able to pick out the face of a preacher whom I had not seen for two years. He had heard that we were sailing and had come over from New Jersey to wish us "bon voyage". Being a musician he had brought his trumpet with him. Soon its strains were piercing the night air with the official hymn of the Defenders Movement, "FAITH OF OUR FATHERS". The Communists were taken by surprise.

To our delight a large number of people both on the wharf below and the deck above,

knew our familiar song and sang out spontaneously. The volume of music was every bit as strong as that of the "Internationale" in spite of the fact that the Christians were unprepared, while from all indications, the Communists had carefully rehearsed their act.

Never had the grand old hymn "Faith of Our Fathers" sounded as sweet to me as it did on that occasion.

I was told later that the young Jew and Negro were leaving for Moscow to be trained in the art of Communist agitation, to come back as organizers to help overthrow the American social order.

A few minutes later our ship was pulling into the harbor and past the glorious Statue of Liberty. Electric lights were focused beautifully upon this wonderful Monument which means so much to every true American.

God's wrath is kindled against Atheistic Communism. Therefore, its ultimate doom is certain. "Vengeance is mine; I will repay, saith the Lord."
